The Project **FACTORY**

STEP 4. PLAN ACTIVITIES

Brainstorming – Resources and allies

Before launching your fundraiser

Remember that there are resources and people who can help you ensure your project gets off on the right foot.

MY TOOLS/ RESOURCES

For example: We might be able to store our products in an empty classroom at school; my aunt could lend me her sewing machine; we could use the school kitchen to prepare our products.

MAKE A LIST OF THE TOOLS AND RESOURCES AROUND YOU THAT MAY BE HELPFUL.

.....

MY ALLIES

For example: A friend from another group could help us with manufacturing; my aunt who is an accountant could check my profitability calculations; the janitor at school could help us use certain tools; my cousin who is excellent at drawing could help me design a logo for my brand.

MAKE A LIST OF PEOPLE WHO COULD HELP YOU AND THEIR ROLE(S).
